NEWSLETTER 7

Start Date: 01.05.2021

End date: 30.04.2023

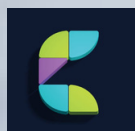

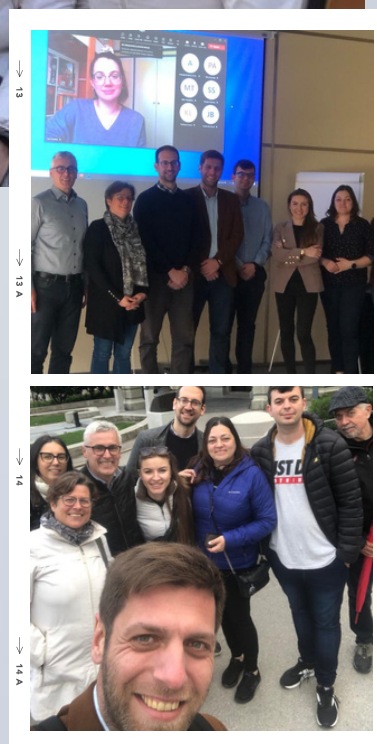

Final Meeting in Ljubljana, Slovenia

The DigiER partnership met for the final Transnational Project Meeting on the 20th and 21st of April 2023, held by CCIS in Ljubljana, the beautiful capital city of Slovenia. During the meeting, the partners had the chance for a general overview of the latest developments of the project. They discussed the project activities and tasks as well as the work accomplished so far, and finally, they decided on the final steps needed for a smooth closure of the project.

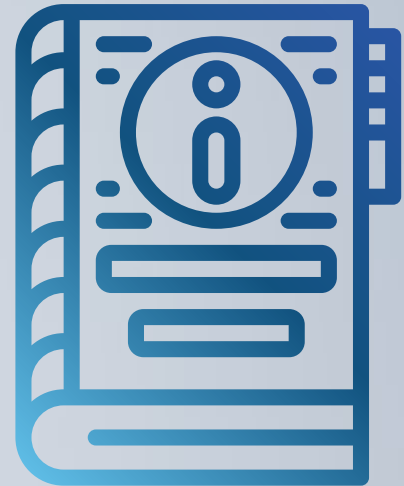

The meeting was a great opportunity for the partners to meet again and have a last memorable experience together!

Final version of the Intellectual Outputs

Guide on Digital transborder Entrepreneurship strategies in a business environment

The Guide on Digital Transborder Entrepreneurship Strategies in a business environment, in addition to English, is now available in all partner languages (Greek, Polish, Romanian, Slovenian). The Guide aims to help entrepreneurs to collaborate efficiently with international partners. It also supports entrepreneurs in familiarizing themselves with the appropriate services and innovative methods for their business development.

If you are interested, you can find the Guide [here](#).

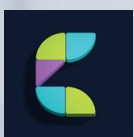

DigiER mobile application for entrepreneurs

The DigiER App is now fully developed for Android and iOS-based mobile devices and available in English and in all partner languages (Greek, Polish, Romanian, Slovenian).

With this innovative application, the project assists entrepreneurs for the development of their digital skills and their own strategies for their businesses. The App is available for free and allows its users to assess their current knowledge, follow their training pathway, and create personalized strategies for their business growth.

The application can be found [here](#).

The DigiER project comes to an end!

The DigiER project is now reaching its end with great success!

Through the hard work and dedication of all the partners, the consortium has been able to deliver an innovative and efficient digital solution that offers entrepreneurs, trainers, stakeholders, and any interested parties the ability to improve their digital skills and their knowledge on how to conduct business in Europe.

Both the Guide and the Application are useful resources for the project's target groups. As the project comes to an end, we are proud of the impact the project creates and the difference it can make in the entrepreneurial sector.

Thank you for following us on this beautiful journey!
