Upcycling Europe - Sharing good practices on Circular Economy through European Partnership

### JSTE (Bari - Italy): 28–30.9.2021

The JSTE took place in Bari, Italy, in the period of 28–30 September 2021. It was hosted by University of Bari. All partners participated with 2 delegates (Finland participated online due to Covid restrictions). The training modules were developed with lectures, practical exercises, guided tours, workshops and laboratories, plenary debates and group works with the aim of allowing all participants in the training to be able to carry out a professional update on the theme of the circular economy and its didactic declination, with a view to increasingly promoting education in sustainability.

### 3rd TPM (Magdeburg - Germany): 4 July 2022

The 3rd project meeting took place in Magdeburg, Germany, on 4.7.2022. At the meeting, hosted by German partners FA Magdeburg GmbH, we discussed the latest activities still to be carried out before the conclusion of the partnership scheduled for the end of November 2022 as well as the latest "tasks" that each member of the European consortium has yet to complete.

### 4th TPM (Bari – Italy): 03 September 2022

The 4th project meeting was held in Bari, Italy, on 3.9.2022. The event was hosted by the Italian partners of the University of Bari. The agenda of the meeting was directed to

- present the overview of the project,
- present the overview of the project's website,
- discuss dissemination activities and goals and
- discuss next TPM in Krakow..
