

## About the project

REFASHIONIZED is a 24-month Erasmus+ project. Our mission is to raise awareness about the environmental impact of the fast fashion industry among young people and youth workers while educating them in fashion history. Through our innovative and practical outputs, they will explore the evolution of fashion, get familiar with sustainable fashion and learn how to reuse old textiles & clothes.

## Target Groups

Youngsters and young adults  
15-24 years old

Youth workers, trainers and  
educators in the field of youth

Staff members of the partner  
organizations

# "Fashion shouldn't cost the earth"

Environmental Audit Committee

## PROJECT RESULTS

### Trainer's Corner

An Online Learning Platform designed to provide educational material to the trainers, educators and youth workers.

The "Fashion History" Booklet & and the "Sustainable Fashion" Booklet along with methodologies, guides and lesson plans will be shared in order to effectively deliver interactive workshops!

# KICK-OFF MEETING

Our partnership officially started on **5-6 July 2023 with a Kick-off Meeting in Thessaloniki, Greece!**

Not only did we have the great pleasure of meeting each other but we also set a solid base for planning and discussing the upcoming activities and outputs in order to provide you with qualitative and useful material!

We had the great opportunity to visit local designers in their ateliers in order to learn more about sustainable methods and eco textiles! What an experience it was!
