

## TRANSNATIONAL MEETING IN POTENZA

***Our partnership travelled to Potenza  
for the 3rd face-to-face project meeting!***

In early April, partners gathered once again, this time in Potenza, to advance their collaborative efforts in promoting meaningful dialogue through food. The meeting focused on finalizing the Recipes for Conversation eBook and dedicated time to verifying the contents of the Trainer's Guide, ensuring its comprehensive nature and efficacy in facilitating Dialogue Dinners. Partners had also time to brainstorm on the Food for Change platform and its layout and content ensuring a visually attractive and qualitative result for youth!

Through fruitful discussions and collective inputs, the partnership reaffirmed its commitment to fostering connections and understanding among the young generation.
