

CALL2NATURE

THE PROJECT SO FAR

LATEST UPDATES

We're excited to share our latest project updates! The project results are in the process of being finalised and we are looking forward to sharing them with you!

RECONNECT TO NATURE PROGRAMME AVAILABLE

The Reconnect with Nature Programme, which includes a manual and some activities, is now available on the project website. As we continue working towards the project's completion, we may make some modifications to ensure its effectiveness. Your feedback and support are always welcome!

THE 18 MONTH MILESTONE

PILOTING COMING UP

NATURE CONNECTION THROUGH THE USE OF TECHNOLOGY

Exciting news! During the summer and until September the partner organisations will be piloting the 3rd and final result, a "smart phone-use" course. If you want to be the first one to experience the reconnection to nature through the use of technology get in touch with the partner in your country now!

OUR LATEST ACHIEVEMENTS SINCE THE LAST NEWSLETTER

RECONNECT TO NATURE MANUAL

This manual provides 25 activities to promote environmental awareness and reconnect young learners with nature without digital tools. It supports youth organizations, NGOs, and educators in sustainability and digital literacy. Find it [here!](#)

RECONNECT TO NATURE ACTIVITIES

Over 20 nature-focused activities, perfect for groups of youth. Packed with hands-on experiences to foster skills like observation, teamwork, they are ready to be implemented by you! Find them [here!](#)

EDUCATION FOR SMART SMARTPHONE USE

More than 20 new activities are being created at the moment that aim to connect young people with nature through the use of technology. Stay tuned!

FINAL RESULT

The partners are in the process of finalising the 3rd and final result called "Smart phone-use". This results includes 25 units on how to use our smartphones in a sustainable way as well as 1 activity per topic. All these are available in a custom-made platform created for the project, aiming to provide the best learning experience for our young audience.

Stay tuned and don't miss this super interesting course that will be released very soon!

WHAT'S NEXT?

As the project is coming to an end the partners will be holding a national event to showcase the project results and the activities that they have undertaken these past two years. We expect the events to take place around October - November 2024. You can find more information closer to the date by visiting the social media platforms of the partner organisation in your country. Don't miss out on any updates - follow us on social media to stay updated!
